Highway Traffic Slowed as Fire Razes Big Shed

Fire of undetermined origin gutted a back yard work shed, destroying some woodworking tools, a chicken brooder and threatened nearly a hundred other chicken sheds before it was extinguished Tuesday afternoon.

The blaze, at 4129 Pacific Coast Hwy., started in one room of a 100-foot long shed and was confined to the room by firemen. Traffic was diverted up Hawthorne Ave. for nearly 30 minutes because of hose lines laid across busy Pacific Coast Hwy.

Firemen from the Walteria station, commanded by Captain Gordon Northington, held the flames in check until a truck from the headquarters station arrived.

Accident Sends Two to Hospital; Shatters Record

Murder Mile's 10-week-long record of no traffic smash-ups went with the wind this week, as two persons, including a 3-month-old baby, were seriously injured at Pacific Coast Hwy. and Hawthorne Ave.

Taken to Harbor General Hospital were Mrs. Lucy Marie Roger, 23, and her son, Gregory, of 5351 Doris Way, Scarsdale Ranchos. They were passengers in a car driven by Gregory Joseph Roger, 25.

Torrance police officers reported Roger was traveling east on the highway when he collided with a car driven by James R. Phoenix, 44, of Los Angeles. Phoenix's auto was heading south.

The mishap marked the first injury traffic accident along the mile-long stretch of highway since state highway crews "channeled" the intersection at Newton St.

St. Andrew's In Member Canvass; Hold Meet Today

Final preparations are under way at St. Andrew's Episcopal Church for the Every Member Canvass which is to be held Sunday at the church. However, a meeting of all those taking part in the campaign is to be held tonight at 7:30.

The canvass is being held at the same time in the Diocese and throughout the National Church, it was indicated. The Hon. Roger Alton Pfaff, Los Angeles Superior Court judge who is the diocesan chairman of the presiding Bishops' Committee, gave the keynote of the campaign this week when he said: "Jesus commanded all Christians to do five things—to profess, preach, practice, protect and propagate Christianity. For most of us no great personal sacrifice would be involved if we did all of these things. If our church is worth preserving, it is worth supporting with our person and purse."

Reflections

By J. HUGH SHERFEE, JR.
LIVING WITH FAITH

A baby has God-given faith in her father and mother; when she has grown to adulthood, marries, her supreme desire is that her faith in her husband will always be shining bright. That faith carries her to heights of Peace of Mind. God, the Father, gave that baby faith and we are babies in eternal time.

With faith we build churches, schools, businesses, a Nation. Faith gave Tom, a negro nobody, super-human strength to extricate a white man pinned in burning wreckage. Faith, in Him, brought rescue to four men in a rubber life-raft, in mid-ocean. Faith in prayer put a bed-ridden man on his feet, to do the work he loved.

We plant seeds, have faith they will germinate and bear fruit. We go to bed at night, have faith we will awaken in the morning. We have faith the time will come when we will possess, not, sparkling jewels and fabled wealth, but Peace of Mind, the greatest gift from God, our Father.
